Subject: POC for the week

Andy,

We've got some resources back and plussed up a little to hopefully ensure we hit those deadlines today.

Your primary EPA contact is going to be Eric Delgado (214)437-9809 and for Weston it will be Eric Souza.

I might suggest touching base with the Eric(s) this morning and do a trial run of the summary query just to make sure everybody is still on the same page.
